

SHEQ Newsflash

The second half of the year, albeit busy, difficult but exciting, saw Masimba flourish on a commendable SHEQ performance path and in March 2016 embarking and pursuing certification in ZWS ISO 9001:2015 Quality Management System. Notwithstanding the pressures, our motto, **Excellence Delivered**, has remained our fortitude. We extend gratitude to our stakeholders for the support and to Team Masimba, thank you for the collective effort and dedication in living out our values and walking the talk without which we would have achieved the following:-

One Million Lost Time Injury (LTI) Free Hours

NSSA Safety and Health at Work (SHAW) Awards

The scooping of a National Gold Shield, Sectoral Gold Shield & Certificate and Sectoral Silver Certificate awards at the NSSA Safety and Health at Work (SHAW) performance recognition event held at the Meikles Hotel on 7th of October 2016 is a perfect icing on the cake to 2016.
